# Booking Terms and Conditions

## BOOKING CONFIRMATIONS

When booking day tours or holidays the seat(s) will be held on option awaiting payment for up to 2 (TWO) working days from the day of booking after which the booking will be cancelled.

Day tour bookings will not be transferred to future tour(s) within 14 days of the departure of the original booked tour.

All bookings need to be paid in full 14 days in advance. Any booking made less than 14 days prior to departure will need to be paid at time of booking.

## ADMISSION FEES

Are usually included in the Tour fare. The only main exception to this concerns visits to properties in the care of the National Trust. Passengers who are members of the National Trust are therefore advised to bring their membership cards with them.

## CHILDREN'S FARES

Children under the age of 13 inclusive are generally charged two thirds of the adult fare to the nearest £1.00. All children need a seat, no sitting on laps.

## DEPARTURE TIMES

The time shown on your ticket is wherever possible the time the coach actually departs and it cannot wait after this time. So please be at your departure point at least 10 minutes early.

During a tour the driver will give you further details of stops during the tour.

**We will not be held responsible for any passenger arriving late at any time.**

**Please be at the departure point early to avoid disappointment.**

**No refund can be made for your late arrival.**

## DOGS

May not be carried on our coaches.

## ITINERARIES

Schedules must be flexible so although we will endeavour to operate the tours as shown in our brochure, we will not be held responsible for traffic delays or other unforeseen problems which may cause the driver to alter an itinerary.

## LOST PROPERTY

The recovery and return of Lost Property is time-consuming and expensive so a charge of £2 per item will be levied. There is no guarantee that lost property can be traced. All property on our coaches is carried at 'Owners Risk' and the company will not be held responsible for items left on our vehicles whilst they are unattended i.e., Motorway Services.

**Lost Property will be held for a maximum of 4 weeks from date of Tour.**

## MUSIC

Loud music may not be played on our coaches.

## POLITE NOTICE

Please do not disturb the driver while the coach is moving. Verbal and physical abuse will not be tolerated. If you display such behaviour you will be asked to leave immediately and such behaviour will be reported to the police.

## RETURN TIMES

The time that the coach is scheduled to arrive back at Enfield Town is shown beneath each Tour description. Other points will be correspondingly later or earlier. These times are only approximate and are intended as a guide only.

## SEASONAL TOURS

The company will not take responsibility for any disappointment caused by inclement and unusual weather affecting seasonal tours, e.g., snowdrops, blossom, autumn colours, etc.

## SMOKING, HOT FOOD AND ALCOHOL

In view of the irritation smoking and the consumption of hot food can cause in the close confines of a coach they, along with the consumption of alcohol, are banned on our vehicles.

## WHEELCHAIRS / WALKERS / BUGGIES

Wheelchairs/Walkers/Buggies may be stowed in the luggage hold. **We cannot carry Electric Scooters.**

### COMPLAINTS

Should you find cause to complain about any of our Tours it should be brought to the attention of the company's representative at the time of the incident and put in writing to our office in Enfield Town within five working days of the incident occurring. It will then be investigated by Management and any compensation offered will be in the form of a credit which will be dependent upon the nature of the complaint and the proportion of the Tour affected.
